

## ADA Product Manufacturers

The manufacturers listed below offer temporary pedestrian products. The Virginia Department of Transportation (VDOT) does not assume liability for the contents of this list or its use, nor does the VDOT endorse the manufacturers or their products. The Virginia Department of Transportation did not evaluate all these products or certify the products as complying with the requirements of any VDOT or accessibility standard as well as any Virginia and Federal regulation. Products are listed because of their potential usefulness to individuals and not because they have been verified to meet the requirements of any VDOT or accessibility standard as well as any Virginia and Federal regulation. The list is not an all inclusive listing of products and we recommend an Internet search using the device headers in bold text for additional manufacturers and products.
